ENTERTAINMENT'S GOOD, ANYHOW

The food at Cafe Cosmopolitan, shown here, may not be all that it's cracked up to be, but the entertainment that is being dished out again tonight in *Pirate Gold*, Kiwanis Club Benefit Show, is said to be delectable, delicious, delightful. More than 100 local persons will be in the musical minstrel show, to be presented in Sequoia High School Auditorium. This cafe scene is expected to prove a highlight of the performance.

Six Talks Presented At Toastmaster Club

With Dr. Rollo O. La Berge as chairman, six Toastmasters gave practice talks at the weekly meeting of the local club Monday. Fred A. Schmitz discussed the China-Japan war, under the title of "The Beginning of the End." Thomas Padley told of reorganization of the YMCA in San Mateo County; C. W. Eltringham talked of embezzlement cases under the title, "Temptation;" Clifford Walk discussed "Light;" William Morrissey talked on "Abraham Lincoln;" and Kenneth L. Bowen discussed with under the title, "It's the Will that Counts."

\$2500 Damage Award Approved for Child

Allen Chambers, 7-year-old daughter of James T. Chambers, Tuesday was given \$2500 damages for injuries sustained July 9, 1935, when automobiles driven by her father and Charles G. Bird collided on Skyline Blvd. The father, guardian ad litem for his daughter, originally sued for \$100,000 for the injuries to his child. He claimed she suffered permanent brain disorders as a result of the crash. Defendants were Bird and the Stockton Lumber Co. Inc., owners of the car Bird was driving. The award was made by stipulation in Judge Maxwell McNutt's court.

Thomas Hogan, 21, Daly City kidnaper, will be admitted to probation again in October despite the fact that he has already violated probation.

Convicted with two others, Robert J. Malaspina, 24, and Richard Perada, 27, of robbery charges, Hogan must serve nine months in the county jail before being admitted to a three-year probationary term.

Malaspina must also serve nine months in the county jail, Perada six months.

That was the sentence imposed on the trio by Superior Judge Maxwell McNutt Monday afternoon.

TOOK MAN FOR RIDE

All three youths were arrested by Daly City police after Albert E. Smith, San Francisco bartender, complained that they had taken him for a "ride" Dec. 19 and robbed him of \$100 in cash, a pen and pencil set, and a wrist watch.

Hogan was involved in a similar case in October, 1934, when he, Archie Bigazzi and Natchie Mendola kidnapped and robbed Wesley Strong, Daly City bank teller. Hogan was admitted to probation in January, 1935. Mendola "made good," according to Probation Officer Francis Robinson. Bigazzi was sent to Preston Reform School, and Hogan reported regularly for 35 months until his arrest last month.

Eleanor Koepke, alias Eleanor Crawford, charged with a San Bruno burglary, pleaded guilty. Although she recently completed a probation term in San Francisco on a petty theft charge, she entered a motion for probation here. Hearing was set for Feb. 15.

TWO HEARINGS DELAYED
Benjamin Dance, San Mateo, charged with negligent homicide, was arraigned and allowed another week to plead.

A. B. Stanbery, seaman on the ill-fated Hoover, was arraigned on a morals charge and given a week to plead. Atty. Edward J. Ryan was appointed counsel.

Matt Nitschke, 23, convicted of negligent homicide as the result of a Bayshore Hwy. accident in Burlingame Sept. 5 in which three persons were killed, was admitted to two years' probation on condition that he serve 90 days in the county jail. Nitschke, who has served 35 days, will be released Mar. 27.

The accident wiped out an entire family. Victims were Margaret M. Durney, 43, widow of a San Jose physician; her daughter, Mrs. Marie Downing, 22, and her son, Charles Paul Durney, 15.

Frederick Davies, alias Fred Davis, was arraigned on an amended bad check charge and given two weeks to plead.

O. E. Potter, charged with driving an automobile after his license had been revoked, pleaded not guilty. Trial was set for Feb. 15.

Boys Learn Bayonet Is O.K., But Lesson Will Cost \$62.50

Because it's nearing Washington's birthday and the spirit of truth must prevail (and besides, the cops had the goods on 'em), two Redwood City boys, aged 15 and 16, have confessed to police they chopped down the 25 newly-planted white birch trees on Middlefield Rd. last Thursday evening.

Police Chief C. L. Collins, in announcing solution of the vandalism, said the youths explained that they were merely trying out an old army rifle bayonet which they had come across. They offered no other explanation for the mischief.

Some eight or ten of the trees were hacked down as the boys walked along the street on their way to a movie, they said. They cut down the rest on the way home.

Police discovered identity of the vandals when they learned one of them had been seen with a long knife such as might have been used to destroy the trees. Names of the boys, both students at Sequoia High School, were withheld because of their ages.

Chief Collins said the pair, who have agreed to pay for the \$62.50 damage done, have been turned over to juvenile authorities. They are free on their own recognizance pending disposition of their cases.

Juvenile Officer Pays Traffic Fine

John Ernest Balke, 30, of Santa Cruz, who said he was a juvenile officer, "pulled a badge" on Highway Patrolman Manfred Walzberg, but the badge proved no help in court. Judge Edward I. McAuliffe fined the juvenile officer \$10 for speeding in Saturday's traffic court session.

Walzberg said the automobile, full of people, was traveling 65 miles an hour from Redwood City to East Palo Alto on Bayshore Hwy., 60 through the 25-mile zone, and 65 again toward the county line.

George E. Osborne, 43, of Stanford University, a teacher, paid \$5 for speeding 62 miles an hour from San Carlos to Marsh Rd. In the city traffic court, Judge McAuliffe assessed \$1 fines against J. Johnson, A. F. Dawney and F. E. Fowler for illegal parking.

Stairway Is Cause Of Second Action

For the second time in three months, the Owl Cafe, 233 3rd Ave., San Mateo, has been named defendant for the same cause—a mezzanine floor stairway.

Suit was filed here by Almeda and Alexander Knadler asking \$15,685.50 from the cafe and R. Leibaecher and H. E. Lester, proprietors.

Knadler states that his wife fell down the stairs and suffered injuries to her back. John E. Lewis filed a \$25,810 suit against the same defendants in November for an accident Jan. 5, 1937, in which he fell down the same stairs. His case is pending.

MENLO PARK NEWS NOTES

For the first time this season wild pigeons were seen here this week. The birds were driven down from the mountains by the storm. They are not game birds, being protected by both state and national game laws, and cannot be hunted.

The Flood estate seems to be a Mecca for the pigeons on account of the many oak trees. Lakehurst, N. J., where he had been studying airplane designing at the Institute of Technology Ground School.

Menlo Parlor, Native Daughters of the Golden West, will hold a card party in Central School on the highway Feb. 17. Members are preparing to make this event the best of the season. On Mar. 11 Archbishop John J. Mitty will confirm a class of 100 in the Church of the Nativity. Father Thomas McKeon has for some weeks been preparing the children for the rites.

Rainfall for the season up to Thursday has been 12.10 inches against 8.48 inches for this time last year. The precipitation this year is greater than for a number of previous years. San Francisco Creek has been running a high level since the storm began, but no damage has been reported.

Gain Shown Here In Auto Sales

An appreciable improvement in the sale of both new and used automobiles during the past 30 days has been noted by Oleson & Son, DeSoto-Plymouth dealer here. "More people have been coming into our showroom during the past month than any other like period since early 1937," stated Oleson.

"As a result our business has taken a decided upswing and we have accelerated the sale of both DeSoto and Plymouth. "Heretofore we noticed a lack of buyer confidence in practically every potential customer and this fear of the future complex had a great deal to do with the slowing down of car sales.

"However, the worst now appears to be behind us. Returning confidence has brightened the average potential customer's outlook and has done a great deal toward banishing his fear of buying. Our business has stepped up over 50 per cent during the past month and we believe we are just starting."

Children's Diseases Prevalent in County

Twenty-four cases of communicable disease were reported in San Mateo County today for the week ending Jan. 29. Ten of the cases were chicken pox, four were whooping cough.

In Redwood City, one case of whooping cough and two of scarlet fever were recorded. One case of rabies was reported in Daly City.

Smith Secures Full Support Of Supervisors

Benefit to Peninsula Cited in Changed Resolution

San Mateo County's board of supervisors, after a reversal of an earlier stand, today was on record in favor of restoration of the designation "U. S. Highway 101" to El Camino Real.

Supervisor H. H. Smith and the El Camino Real Association emerged victorious in their battle for "the king's highway" late Tuesday when the embattled board unanimously passed a resolution favoring return of the federal numbers to the highway from the Bayshore.

Action followed a heated two-hour session earlier in the day which found the board split. After Smith, who is chairman of the board and president of the El Camino Real Association, had exhausted every available means to force a vote on the resolution submitted by the association, he appeared beaten when the supervisors voted 3 to 2 to lay the resolution on the table.

When the board reconvened at 3 p.m., Supervisor Fred E. Beer, who outmaneuvered Smith in the first parliamentary battle, introduced the substitute resolution.

His motion for adoption was seconded by Supervisor James S. James, who led the opposition to the original document. With no discussion, except a few words of praise from James, the resolution was adopted unanimously.

The resolution: "Whereas, public opinion as expressed by resolutions adopted by many municipalities, trade associations, etc., is to the effect that the best interests of San Mateo County and the traveling public would be served by restoring to El Camino Real the highway designation of 'U. S. 101.'"

"Now, therefore, be it resolved that the board of supervisors hereby endorses this movement and respectfully urges the California State Highway Commission to take all necessary steps to secure early action by the American Association of State Highway Officials to restore to El Camino Real the designation 'U. S. 101' with some other appropriate designation of Bayshore Highway."

ERROR IN FIRST PLACE
"It was a mistake to change '101' from El Camino Real to Bayshore Highway in the first place," James said.

In explaining his vote on the second resolution, James pointed out that it was based on benefit to the county and to the

School Employees Consider Problems

W. J. Evans, president of the California School Employees Association, in Redwood City Tuesday to attend the monthly meeting of the local Sequoia District Chapter 51 and present the group with its charter, describing the need for education for bettering the work of school employees.

Herbert Price told of the need for an executive manager for the state association and also talked on certification of school employees, while Evans A. Fletcher discussed group insurance plans with the 20 chapter members present.

John Isaac was named chairman of a civil service committee and R. B. Fodrea of San Carlos, reporter.

Pillowcase Burglar Strikes Three Times

The pillowcase burglar, to whom 30 burglaries in Santa Clara County and many in San Mateo County are attributed, struck three times Sunday.

In the Cupertino district he entered three homes and carried away loot valued at \$1800. In each case he entered by a window and stowed jewelry and other valuables in a pillowcase.

Total value of the loot taken in the burglaries is estimated at \$12,600. traveling public, rather than to the property owners along El Camino Real as suggested by the first resolution.

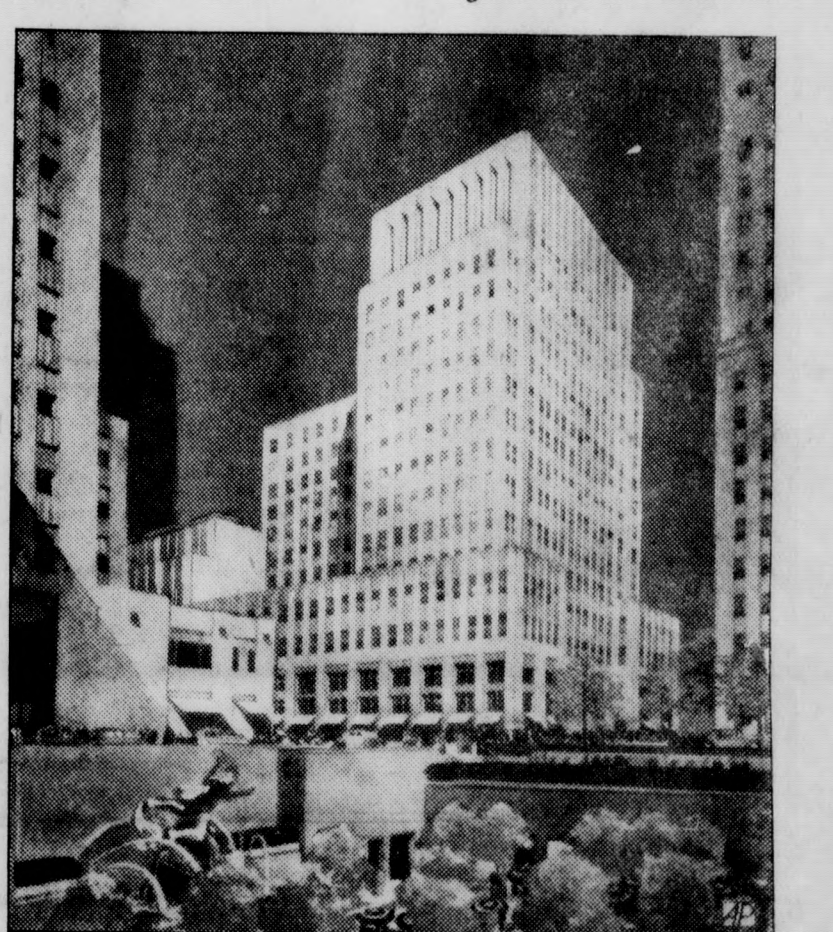

The adoption of the resolution was regarded as a signal victory for Smith, who said he was perfectly satisfied. Advocates of the change in highway numbers believe that San Mateo County is being robbed of its share of the tourist dollar because all directional signs guide them to Bayshore Highway instead of scenic El Camino Real.

However, the Bayshore Chamber of Commerce has written Earl Lee Kelly charging that those interested in the change are a "noisy minority."

"The group that proposes this change is composed largely of business interests who have hopes of increased profits to themselves if this change is made," the letter states. "The prospect of diverting a heavy flow of traffic through an area that is largely residential thereby increasing the hazards to pedestrian traffic in an area that already claims a large number of pedestrian lives each year means nothing to them. Nor does the fact that Bayshore is by far the shortest and best road into San Francisco for the motoring public..."

"We ask you to ignore any selfish recommendations that this Peninsula group may have to offer," the communication urged. It was signed by Mrs. R. Rosemont, secretary.

Associated Press To Get New Home

THE ASSOCIATED PRESS BUILDING, shown above in an architect's drawing, will be erected immediately in Rockefeller Center, New York, to provide a new home for the growing general headquarters of the world's largest cooperative news gathering association. ADVERTISING OF PORT URGED

Direct Mail Campaign, Tax 'Moratorium' On Industrial Sites Suggested

An intensive direct-mail campaign during the coming year to advertise the Port of Redwood City to eastern or middle western industrialists who might plan expansions West was urged on the board of port commissioners Tuesday by David D. Bohannon, developer of much real estate south of Redwood City.

Bohannon urged also that the city and county consider granting tax "moratoriums" for a period of years to any new industries.

Declaring that Redwood City's port was as yet little known, Bohannon revealed that it is even "amazing how many San Francisco people don't know that we ever got our port through."

But the advertising he suggested would be aimed directly at a selected list of industrialists.

Bohannon declared he would be willing to participate financially in such an advertising campaign.

In addition he let it be known that he owned 65 acres of land east of the Bayshore in East Palo Alto near Willow Rd. which

he would give outright "to the right industry or industries."

Port Commissioner Edmund Scott agreed that "what this town needs is salesmanship" and suggested the matter be referred to the chamber of commerce, which already is planning an intensive advertising campaign for the coming year.

City Manager C. L. Dimmitt suggested that the commission ask for a joint session with the chamber directors. Mayor Paul A. McCarthy, asserting that "this is the opportune time if ever there was one," suggested that a co-ordinated plan be developed, started by the commission, aided by the chamber, and fostered by those companies particularly interested.

Commissioners decided to give further study to the proposal.

9 Slot Devices Taken in Raids During Evening

Sheriff Hits Taverns In All Sections Of County

Striking at widely separated points, deputies from the office of Sheriff James J. McGrath confiscated nine slot machines from five San Mateo County taverns Saturday night.

The raids were made simultaneously, officers said, to prevent any tavern owner from "tipping off" the others.

IN EAST PALO ALTO

At East Palo Alto, Deputy Hugh Williams raided Auten's Highway Inn single-handed. He confiscated two machines, one a 25-cent and another of 10-cent variety. He arrested Walter Allwardt, a bartender.

Deputies Louis Lodi and Clement Nash raided the Moss Beach Club at Moss Beach and confiscated a 25-cent machine and a 5-cent machine. They arrested Silvio Bartolini as proprietor.

A few minutes later the same pair raided "The Club" on the main street of Half Moon Bay. There they found 5- and 10-cent machines, and arrested Frank Mazzanti, who was in charge of the establishment.

FIRST IN WEEKS

Meanwhile Nieri and Constable George Krehl were busy in the north coast area. They first raided the Rees Tavern in Pedro Valley, where they found two machines. They arrested Harry Rees, the proprietor.

At Rockaway Beach they arrested Julio M'gnaco, proprietor of the White House, after confiscating a 5-cent slot machine.

The raids were the first reported in several weeks.

Sodini Jails Pair On Theft Complaint

Russ C. Averill, 28, San Mateo, and Harold W. McCune, 30, Burlingame, arrested Sunday night as they left Sodini's Tavern on Middlefield Rd., were free on bail today pending trial in Judge Edward I. McAuliffe's court.

Both were charged with petty theft by John Sodini, proprietor of the tavern, who told Redwood City police they took two chickens from the establishment.

Tree Planting Move For County Pushed

The San Mateo County Recreation Commission late Tuesday appointed committees to contact peninsula cities in an effort to enlist their co-operation in planting trees along the main traveled highways. The program, which will be undertaken as a WPA project, is designed to beautify the county in time for the 1939 fair.

The commission adopted WPA projects for development of Thornton Beach Park, Memorial Park Flood Park and for the tree-planting program.

Comedy, Talk Given Sequoia Students

A dramatic program that featured a one-act comedy play by high school dramatists and a talk on Shakespearean productions by Thomas Wood Stevens, director of dramatics at Stanford University, entertained students at Sequoia Tuesday at their weekly assembly.

"Playing Shakespeare" was the topic taken by Stevens, who was the organizer and former director of the Globe Shakespeare Theater, whose version of "A Winter's Tale" is to be presented by a student group at Stanford Feb. 7-14. The Globe players achieved a considerable reputation for their "stream-line" productions of Shakespearean plays at the Chicago World's Fair and the San Diego Exposition.

Participating in the cast of the one-act play, "A Wedding" by John Fitzpatrick, were Margaret Nolan, Howard Melton, Harry Killpack, Rose Marie Withgitt, Vincent Cleveland, Barbara Ross and Alfred Neuman.

Walzberg Gains Sergeant Post At Stanislaus

Manfred Walzberg of 532 Arguello St., recently promoted to the rank of sergeant in the California Highway Patrol, will be transferred to Stanislaus County to assume his new duties, according to the list of assignments issued Tuesday by Chief E. Ray. Cato at Sacramento.

Walzberg, a resident of Redwood City for 14 years and an active member, along with Mrs. Walzberg, in the Moose and Rosicrucian orders, has made no plans as yet to move to the San Joaquin Valley county, seat of which is at Modesto.

The sergeant position is a newly-created rank in the patrol. Sergeants serve as commanding officers in the absence of their captain. Sixty-six members of the patrol were elevated to the new rank following examinations.

Sergeant of the San Mateo County patrol force will be V. C. Calhoun, being transferred here from Santa Cruz County.

Surviving are two sons, Ignacio and Antonio Araiza, both of San Fernando.

Sequoia Asks If Is Demand

To determine the possible need for and interest in a summer school on the Peninsula, mimeographed questionnaires have been given students at Sequoia High School to find out how many would be interested in such a plan.

Similar questionnaires are being distributed at Palo Alto High School and at Menlo School.

If sufficient interest is shown, plans will be formulated for an eight-week session, during which students will meet for two hours each day, a charge of \$5 to be made for each two-hour course for which the student enrolls.

It is believed that a summer school would enable students to make up work and advance more quickly, the summer courses counting as regular school work with graduating credits. It would also give pupils an opportunity to take subjects for which they might not have time during the regular school year, it was pointed out.

One of the earliest strikes in the United States was the strike of the New York City carters in 1834.

Otzen Packing Firm Plant Is Destroyed

Plans were being considered today by Lorenz Otzen, 406 Hopkins Ave., for the reorganization of his Otzen Packing Company following a fire which burned his plant at 52 Washington St., San Francisco, to the ground Saturday afternoon.

Otzen had just reached home shortly before 2 p.m. when he received a telephone call notifying him of the fire, origin of which has not been determined. He had left the plant about 12:30, and two employees had left shortly afterwards. Otzen leased the structure. His loss, which has been tentatively estimated at \$10,000, was only partly covered by insurance.

Puerto Rico is 100 miles long and 35 miles wide.

Beware Coughs from common colds That Hang On

No matter how many medicines you have tried for your cough, chest cold, or bronchial irritation, you can get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with any remedy less potent than Creomulsion, which goes right to the seat of the trouble and aids nature to soothe and heal the inflamed mucous membranes and to loosen and expel the germ-laden phlegm. Even if other remedies have failed, don't be discouraged, try Creomulsion. Your druggist is authorized to refund your money if you are not thoroughly satisfied with the benefits obtained from the very first bottle. Creomulsion is one word—not two, and it has no hyphen in it. Ask for it plainly, see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief you want. (Adv.)

CUBS TO MEET AT CHURCH
Cub Pack 15, which held its monthly meeting last Friday night at Sequoia High School and demonstrated work to parents, will meet hereafter in the social room of the First Methodist Church on the last Friday of each month at 7:30 p.m. Best carver at last meeting was Elliot Schueler. Everett Gould was adjudged best rope spinner, with John Carmack and Bruce Brown second and third, respectively.

Notice Filed In San Jose

Notice of appeal from the \$30,000 verdict awarded by a San Jose Superior Court jury to Dep. Sheriff John T. Simpkin was filed Monday by attorneys for the City of Palo Alto and Stanford University.

Simpkin, who sued for \$100,000 damages as the result of a fall from Palo Alto Hospital, was awarded the \$30,000 verdict in November against the city as owner and the university as operator of the institution.

Motion for a new trial was denied by Judge R. R. Syer Thursday.

Simpkin fell from a second-story window while in a post-operative delirium. In his first suit he was awarded a \$50,000 judgment by default, but the judgment was subsequently set aside. He is represented by Atty. C. E. Luckard and M. J. Rankin of San Jose, and F. E. Hoffmann of San Mateo.

Students Launch Auto Safety Drive

Co-operating with local, county and state police, the Sequoia Hi-Y Club has begun an intensive campaign of education to make the highways safer.

Pointing out that if accidents continue at the present rate, the driver of every 20th car in the United States will be in an accident this year and that in the past year 36,000 persons died and more than 1,000,000 were injured, D. F. Gatchel, adviser of the Hi-Y Club, announced that members of the club will distribute pamphlets of safety at Sequoia High School and the grammar schools of Redwood City and will speak at the schools and before service club groups in an effort to enlist their support to bring about more careful driving and elimination of accidents.

Students who will speak include Robert Bebb and Sam Stevenson of the Sequoia public speaking classes, James Argo, Hi-Y Club president; Herman Ross, Irving Gold and Charles Gatchel.

Police Shoot 80-Lb. Mongrel

Palo Alto police shot an 80-pound mongrel dog on the outskirts of the city Sunday and believed that they thereby ended a week-long hunt for the furtive "mystery beast" that ranged the bayshore lowlands for more than a week.

More important than the solution of the mystery, however, appeared to be the danger that the animal may have spread rabies throughout northern Santa Clara County.

The "mystery beast" became the object of an intense search a week after Ben Albanese, Milliken Corner grocer, reported that a pup of his had been killed and almost entirely eaten.

Other pet owners in the area reported that their dogs had been attacked, but not killed by the mysterious animal, and Dep. Sheriff John Moore, Pat Doherty, Harry Schumann and Jack Cooney were assigned to the case.

They made plaster of paris prints of the animal's footprints, which were being compared today with the mongrel's paws for identification. Palo Alto police sent the head of the dog to the state laboratory at Berkeley for examination. They said the dog was obviously a victim of rabies. Its fur was covered with blood and foam.

Dr. Charles C. Gans, San Mateo County health director, expressed the fear that the dog, if rabid, had spread the disease far and wide during the week he was at liberty.

"The incident serves to illustrate the danger of allowing stray dogs to run at large," the doctor warned. "In San Mateo County we are endeavoring to round up all strays, and to date we have been successful in limiting the number of rabies cases to three."

\$445 FOR COLLEGE YEAR
BERKELEY, (AP)—It costs \$445, on the average, to spend a year at the University of California, a survey by Dr. Merton E. Hill has shown. Among the students questioned, most of them spent less than \$1 a week for amusements.

Bus Firm Ready To Start Lines In Redwood City

Apparently anxious to establish a bus line within Redwood City within the next two months, W. Vandervoort, who now operates lines in Burlingame and San Mateo, was in Redwood City Tuesday to consider the possibility with City Manager C. L. Dimmitt.

Vandervoort outlined tentative routes as follows:

1. From the Southern Pacific Station to El Camino Real, south to Jefferson, west on Jefferson to Ruby, north on Ruby to James, back to the station on James.
2. From the station to Broadway, west on Broadway to Brewster, out Brewster to Alameda de las Pulgas, north to Whipple, east to Duane, back to Broadway, thence to the station.

Vandervoort set the fare at 5 cents a trip, one way.

Vandervoort pointed out to Dimmitt advantages to be gained by shoppers and commuters in economy and saving of parking.

Two, 27-passenger Reliance buses, new, would be used here, Vandervoort said.

Service to Friendly Acres and Emerald Lake might later be attempted if the railroad commission would give a permit. Fares would be higher to the outside points.

The bus question is expected to come up before the council again at its meeting next Monday. Permit must be granted by the council for the service within Redwood City.

S. F. Airport Lauded
As One of Five Best

San Francisco Airport at Mills Field is one of five in the country not yet obsolete, according to San Francisco Utilities Manager Edward G. Cahill who returned Monday from a month's tour of eastern airports.

"Even our 4000-foot runway would be too small to accommodate new planes which will be placed in service by transport companies

DISTRICT EXCHANGE MEET
Members of Exchange clubs from Redwood City, Palo Alto and San Bruno will meet this evening at Uncle Tom's Cabin, San Bruno, for a district meeting, over which Clive Salz, governor, will preside. Because of tonight's meeting, the Redwood City club had no local session this week.

Speed Without Thrills

Today they fly great T. W. A. Skyliners like this.

From a racing cockpit to the control room of a mighty T. W. A. Skyliner!

That is the story of these three crack T. W. A. pilots, who have given up the thrills of air racing for the sober business of transport flying.

Bob Buck, who made his first solo flight when he was sixteen, set records between New York, and Havana at 17, and at 18 flew from New York to Mexico City to Los Angeles to establish another record which still stands.

Harold Neumann, No. 1 racing pilot in the U. S. in 1935, won the Thompson Trophy Race in 1935, and has also won the Graves and Henderson Trophies.

Roger Don Rae, "buddy" of Neumann back in racing days, won six places at the National Air Races in Cleveland and was ranked No. 1 racing pilot in 1936. But like Buck and Neumann, he saw in transport flying the life work he wanted.

Rivals no longer, the three now fly T. W. A. on regularly scheduled flights.

Roger Don Rae, rated No. 1 speed pilot in 1936, now flies the same line as his former rivals.

If a kitten reaches the age of two or three months without any experience with mice, it will not show a mousing instinct later.

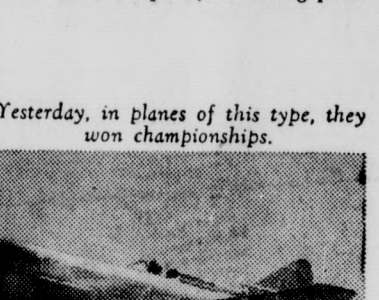

Five thousand of the 112,000 resident aliens in London are Americans.

Robert D. Buck, holder of several distance and speed records.

Harold Neumann, who in 1935 was rated the country's No. 1 racing pilot.

Yesterday, in planes of this type, they won championships.

Official estimates show that farmers produce from 100 to 250 pounds of straw, stalks or husks for every 100 pounds of grain.

Jockey Rosie Rosengarten claims that singing in a horse's ear makes him run faster.

Better Light HELPS KEEP EYES RIGHT!

PEOPLE say modern lighting that is "easy on the eyes" makes the eyes feel better... And they are right... Good lighting brings out the beauty of the home furnishings... It aids personal beauty, too.

Light that is glaring brightness or that is dim and gloomy makes hard work of seeing. It causes squints and frowns and scowls and brings on many premature wrinkles and face-lines.

Good, modern lighting merely means the right kind of light, and the right amount of light where you read or sew or use your eyes. And you can have it easily, quickly, inexpensively. A Home Lighting Recommendation chart made out for your home will fit lighting to serve the exact seeing-needs in your home. This is a free service and there is no obligation. Hundreds are taking advantage of this service. Why not you?

Ball at Tanforan Financial Success

Chairman Joseph V. Gaffey reported Monday that while the report would not be available for some days, Saturday night's President's Ball at Tanforan would be a financial success.

The crowd which jammed the racetrack clubhouse was estimated to number more than 3000 persons. Specialty numbers were featured through the evening, being introduced by Joseph Cuneo, master of ceremonies, Bradford Melvin, San Mateo attorney, dedicated the dance to the "common enemy, infantile paralysis."

Mt. Carmel School Witnesses Picture

Marking one of the rare occasions when moving pictures are shown in the school, the film "Wells Fargo," with sound, was shown students and instructors at the Mt. Carmel Parochial School this afternoon by G. C. Larson, of Oak Knoll Dr., manager of the Paramount Pictures Corporation Exchange in San Francisco, in conjunction with the Fox West Coast Theaters. Roy Waldron operated the equipment.

24 Musicians Join Community Orchestra

Max Gelber led an enthusiastic group of 24 musicians in their initial rehearsal for a community orchestra Tuesday at Sequoia Adult Evening High School.

Gelber, director of instrumental music at the high school, expressed satisfaction at the number registered despite the rainy weather, and said that he expected a larger group next Tuesday at the second meeting. Registration may be made any night at the school.

Mrs. B. E. Myers, president; Mrs. E. R. Burton and Mrs. Pierre Cassaurang represented Sequoia Parent-Teacher Association, which is sponsoring the new night school course, and Mrs. Myers welcomed the players and expressed "great hopes for the future of the orchestra."

Friendly Acres Club Enters Highway Row

Friendly Acres Improvement Club will meet tomorrow night to continue the fight to keep highway rumormongers "101" on Bayshore Hwy. The meeting will start at 8 p.m. in Harry Friend's Hall on Fifth Ave., it was announced today.

FACES RECKLESS TRIAL HERE. Because the wife and daughter of a Burlingame policeman, Richard Grunig, were in one of the cars involved in the accident which brought his arrest, August G. Preding, 39, of Millbrae, will be tried on reckless driving charges by Judge Edward I. McAuliffe in Redwood City. Judge R. L. Stone of Burlingame yesterday granted the change of venue asked by Preding. His machine and one driven by Mrs. C. A. Warden collided last Saturday.
